VENUES

There are few experiences more moving than participating in a Bar or Bat Mitzvah or wedding service while gazing upon the natural beauty of the storied land. In Israel, almost anything is possible. People often choose to have their ceremony at the Western Wall, and their reception at a nearby location. You can also choose to have your Bar or Bat Mitzvah ceremony at Masada; overlooking Mt. Zion or the Mount of Olives; a hotel with a view of the Old City; in the magical city of Safed; an ancient or contemporary synagogue; and many other picturesque and significant sites. For weddings, unbelievable locations that are unique to Israel can include venues overlooking the eternal city of Jerusalem; at the breezy sea; on a panoramic hillside; at an ancient synagogue or ruin; on a beautiful yacht in the Mediterranean; or in a magnificent country villa. There are beautiful hotels in Jerusalem that offer exquisite food and amazing views of the Old City and Mt. Zion

with indoor and outdoor event space. Several unique restaurants with Middle Eastern décor and architecture or delicious bible-themed cuisine

YOUR PERFECT EVENT

Exciting Entertainment

There are many possibilities for entertaining your guests at your event in Israel. We can provide music that suits your taste and style, from DJs to live bands, strolling musicians, harpists, flutists, or classical ensembles. Dancing can be traditional to contemporary. Add some Israeli flair such as a drummers circle, a Klezmer band, Israeli song leading, and Israeli folk dancing. Or go deep into the meaning of your child's Torah portion with Torah Telling, where actors lead interactive performances of the week's Torah parsha.

Fun Food Fare

At weddings and Bar or Bat Mitzvahs, it is exciting to have food extravaganzas that children and adults alike will enjoy. For authenticity, you can have a Druze woman at your event making traditional pita with labane and zaatar as one of your food attractions. Enjoy your own coffee bar that serves cappuccinos, espressos, and ice cafe. And nothing is more refreshing than a delicious ice cream, frozen yogurt or Sorbet bar, where guests can scoop their own and add toppings. Children at your event will be thrilled to become "kids let loose in a candy store" with a beautifully displayed sweets table.
